

RESOLUTION OF THE GOVERNMENT OF THE CZECH REPUBLIC

of 12 October 2020 No. 1023

**to ensure the provision of healthcare services by healthcare service providers
and to ensure the activities of public health protection authorities for the duration of
the
state of emergency**

In relation to Government Resolution No. 957 of 30 September 2020, whereby the government, in line with Articles 5 and 6 of Constitutional Act No. 110/1998 Coll., on the Security of the Czech Republic, declared a state of emergency for the Czech Republic, due to a threat to health in relation to the documented occurrence of a coronavirus (designated as SARS CoV-2) in the Czech Republic, and in line with Section 5(a) to (e) of Act No. 240/2000 Coll., on Crisis Management and amending certain acts (the Crisis Act), as amended, to address the current emergency situation, the government has decided to adopt emergency measures, pursuant to Section 6(1)(c) of the Crisis Act.

The government

orders

1. to ensure the provision of healthcare services by healthcare service providers and to ensure the activity of public health protection authorities for the term of validity of the state of emergency in connection to the COVID-19 epidemic in the Czech Republic, the pupils and students
 - a) of the fourth and fifth year of in-person study programs in general medicine at the medical faculties of public universities,
 - b) fifth year of in-person study programs in dentistry at public universities,
 - c) fifth year of in-person study programs in pharmaceuticals at public universities,
 - d) the final years of daily or in-person bachelor's and five-year master's study programs at university or fields of education and higher vocational schools or secondary medical schools, who are preparing for nonmedical healthcare occupations pursuant to Act No. 96/2004 Coll., on the conditions of acquiring and recognizing qualifications to perform non-medical healthcare occupations and to perform activities related to the provision of healthcare, and on the amendment of certain related laws (Act on Non-medical Healthcare Occupations), as amended, and bachelor's or five-year master's study programs in single-field psychology,
 - e) all years of in-person medical master's study programs related to the healthcare bachelor's program and master's program for single-field psychology following up on the bachelor's program,
2. the Minister for Health to inform and methodically guide the persons listed in point 4 in the process of ensuring the provision of care pursuant to point 1,
3. the Ministry of Education, Youth and Sports to provide all the necessary cooperation to the Ministry of Health and the persons listed in point 4,
4. to all

- public health protection authorities,
- providers of emergency rescue services,
- providers of the medical services listed in the annex to this resolution, and
- social service providers at home for persons with medical impairments, senior homes and homes with special regiments and all auxiliary social services in residential form (pursuant to Sections 48, 49, 50 and 44 and Section 108/2006 of Act No. 108/2006 Coll., on Social Services),

to employ the work activities of the persons listed in point 1 in their territory and to inform the Ministry of Health about the measures adopted in this respect,

5. the governors and Lord Mayor of the City of Prague to issue and recommend orders for the performance of work duties pursuant to this resolution for the specific persons listed in point 1, based on the specific requests of the entities listed in point 4, which in their request must specify the required number of pupils and students, including their study program or field of education, which they require to perform work duties, and the expected period of performing work duties,
6. universities, higher vocational and secondary medical schools ensuring the instruction of pupils and students pursuant to point 1 to compile lists of the pupils and students pursuant to point 1 and to send these, within 1 day and in the case of changes always by the next day, to the local governor or Lord Mayor of the City of Prague,
7. the entities pursuant to point 4 to ensure, within 30 days from the end of performance of work duties, to issue confirmation to the given person of the performance of work duties and the actual time during which the specific person performed the ordered work duties, and to submit this confirmation in one counterpart to the given person, and to send one counterpart to the governor or Lord Mayor of the City of Prague, who issued the order to the given person pursuant to point 5; confirmation of the performed work duties must contain identification of the person performing the work duties based on the order to impose work duties, identification of the entity for which the work duties were performed, the period of the performance of work duties, stamp and signature of the person authorised to act on behalf of the entity issuing this confirmation.

To be implemented by:

Minister of Health,
 Minister of Education, Youth, and Sports,
 Directors of the entities listed in point 4,
 Governors and the lord mayor of the City of Prague,
 Rectors and principals of the schools pursuant to point 1

Andrej Babiš, Prime Minister
